

**BIG  
HEART  
BEATS**

Like  
Nobody  
Else

Feel so good about myself  
I'm like nobody else  
I'm like nobody else

Hold my head high  
Feeling so alive  
Got my own vibe  
And it's so nice

**Welcome to my world  
Yeah this is my life  
When I look in the mirror  
Feeling so right**

I know I can make life better  
Just being myself brings us  
all together  
I'll show this world who I am

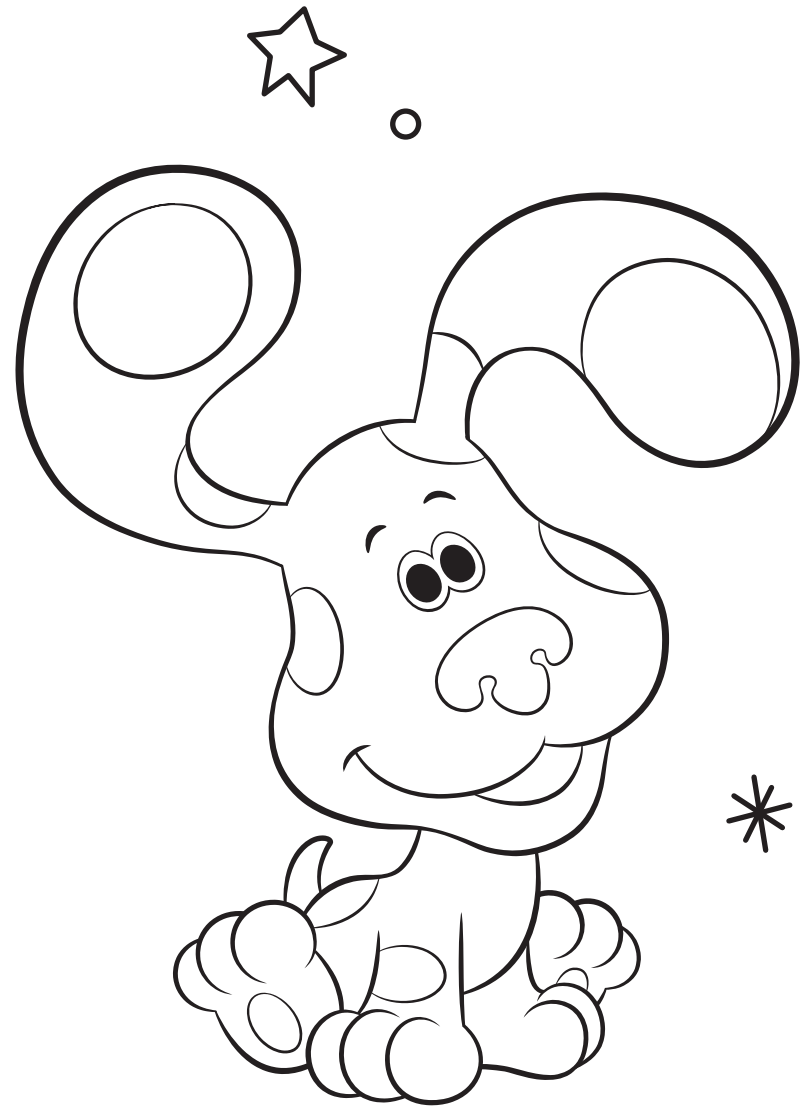

I love my skin  
Love who I am  
I never say can't  
Because I know I can

I love my big smile  
I like my hairstyle  
I wear colorful shoes  
I feel so cool

**My happy shines bright  
I'm living loving life  
So wear your smile loud  
Never forget - Everybody  
say it proud**

**I feel good  
I feel great  
Yeah, that's me  
Walking with my  
own vibe**
