

Let's Boogie Coloring Sheets Instructions

Hey, parents! Celebrate Noggin's new series created in partnership with Alvin Ailey. Meet Boogie, our dancing dino. She loves dancing – and she adores her costumes! As your child colors in each sheet, talk about each dance genre and how every costume brings each one to life.

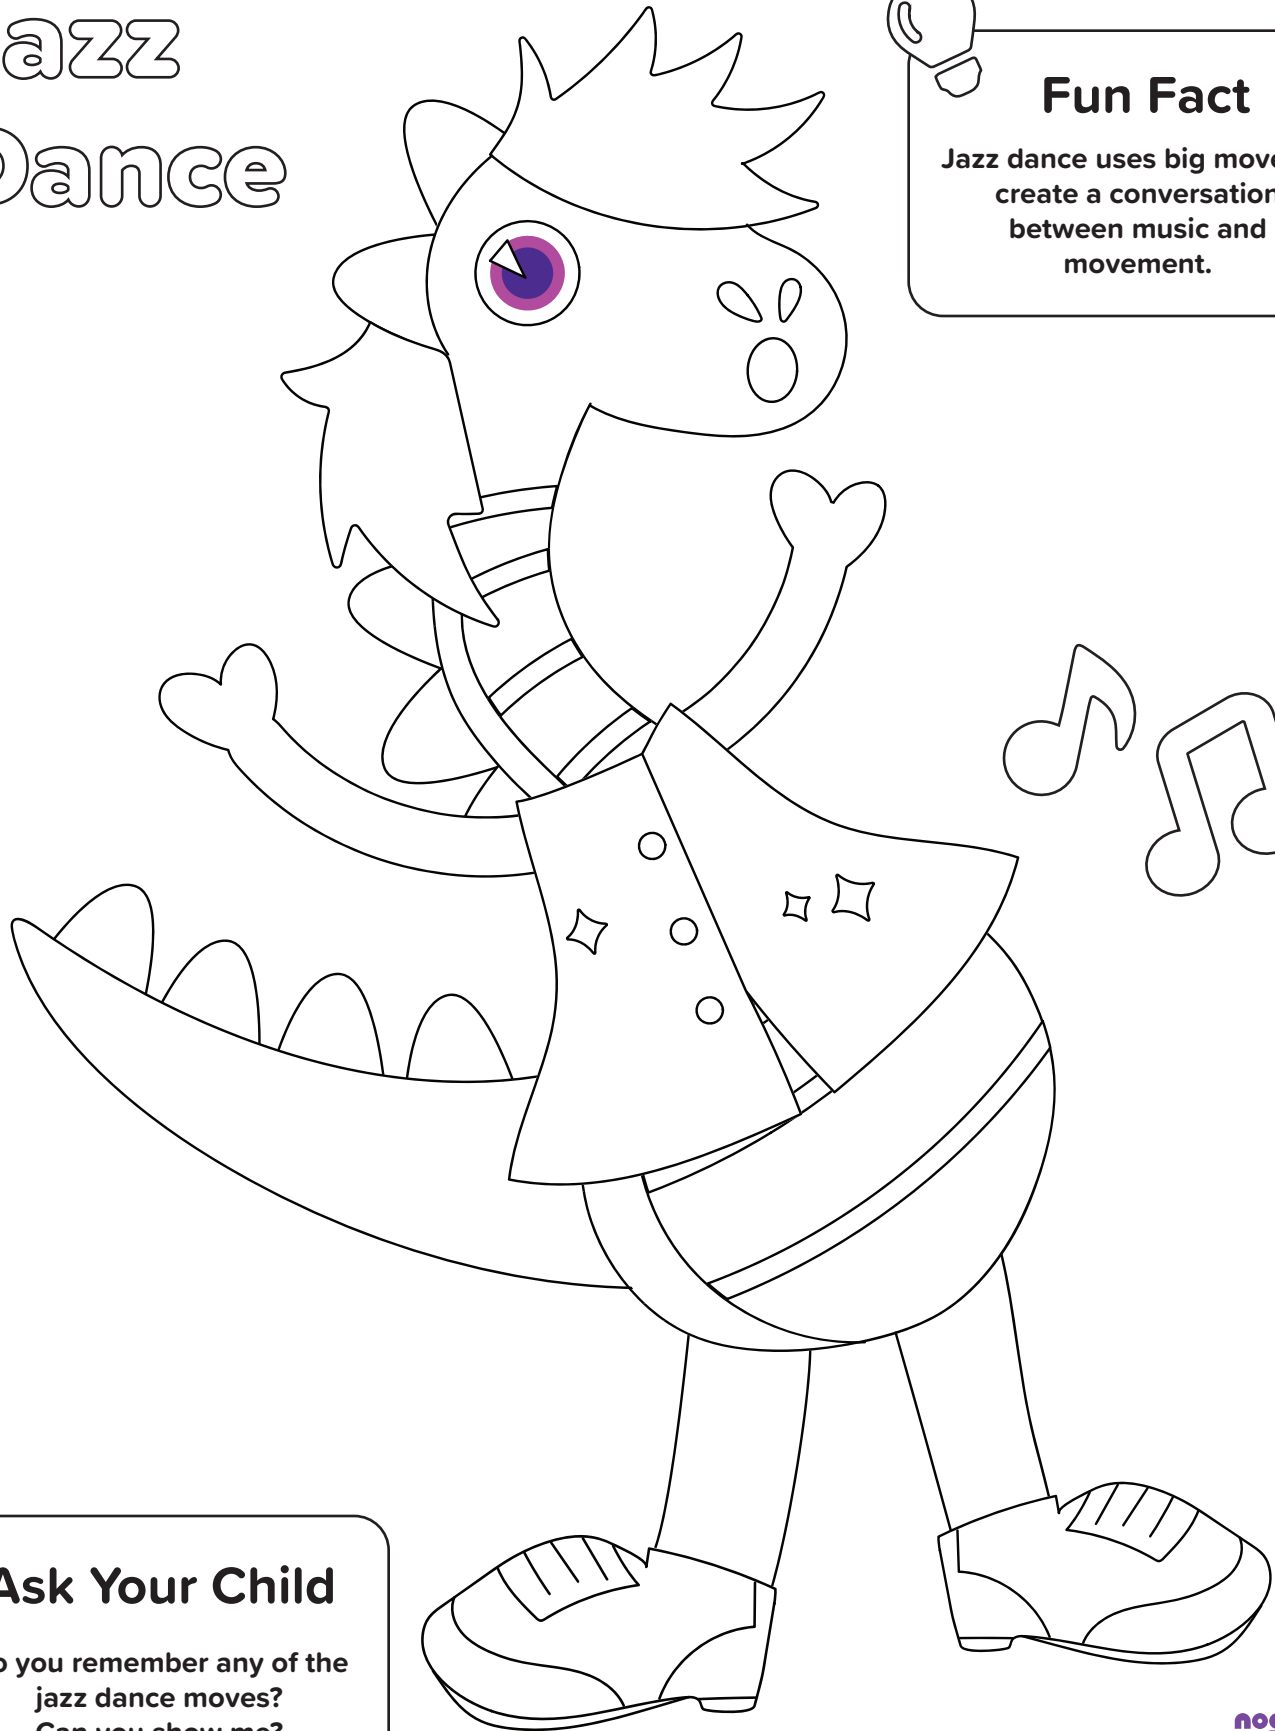

Instructions

1. Print out coloring sheets, and gather markers, crayons and/or colored pencils.
2. As your child colors, talk about each genre of dance using the fun facts and questions provided.
3. Watch *Dance Squad with Ailey*, premiering May 1 in Noggin!

Jazz Dance

Fun Fact

Jazz dance uses big moves to create a conversation between music and movement.

Ask Your Child

Do you remember any of the jazz dance moves?
Can you show me?
