

WINTER CARD KIT

STAMPS

Help your child color in wonderfully wintry scenes with the PAW Patrol pups – or help them design their own cards and stamps using the blank templates. If they need inspiration, ask them to draw their favorite winter activity or family tradition! Cut everything out and send to someone special using the envelope on page 3.

STAMPS

Help your child color in wonderfully wintry scenes with the PAW Patrol pups – or help them design their own cards and stamps using the blank templates. If they need inspiration, ask them to draw their favorite winter activity or family tradition! Cut everything out and send to someone special using the envelope on page 3.

WINTER CARD KIT

Help your child color in and cut out the envelope. Fold and glue it together as indicated, then have them insert a holiday card and add a stamp!
